Secured Alzheimer's and Dementia Unit

Because we recognize the needs of a resident experiencing dementia to be different from a resident who experiences other issues associated with the aging process. With this in mind we have created a Secured environment to meet both their social and physical needs while still promoting independence.

- All Assisted Living needs provided
- Incontinency Care Program
- Secured and Safe Environment
- Activity Program
- Separate secured walking paths, gardening areas and grounds
- Support groups and counseling services

24 hours 7days a week admissions
